

GENOMICS IN BUSINESS CONFERENCE

June 29 -July 1, 2003

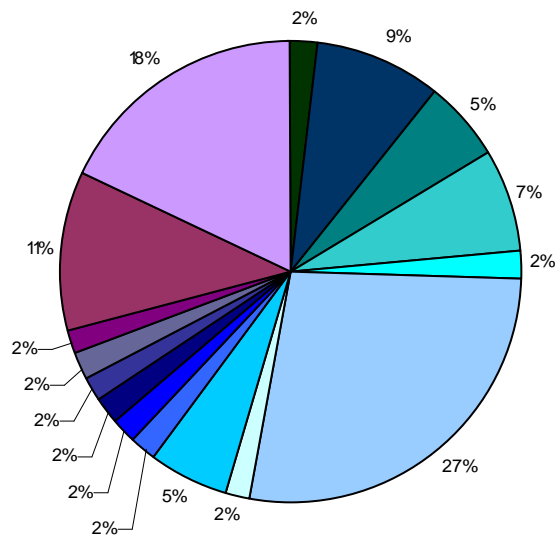

Wageningen, City of Life Sciences, The Netherlands

The first conference to focus on the existing and future applications of genomics in the Agro-Food industry

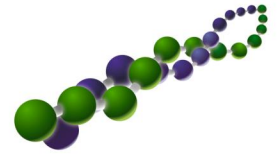

Participants Genomics in Business 2003:

There were a total of 145 participants present from 4 continents and from over 15 countries. Next to the Netherlands the participants were divided between the following countries:

Sponsors:

Genomics in Business 2003

Speakers:

The very international group of speakers was formed of many fields of specialties. The program that included topics such as; Genomics technologies, Marker-assisted breeding, Bioinformatics tools, Quality control in food chains, Animal breeding and Sustainable agriculture, was presented by the following experts.

Stephen Bates	MMI Genomics Inc.	USA
John Bedbrook	Verdia Inc.	USA
Raoul Bino	Plant Research International	The Netherlands
Steven Briggs	Diversa Corp.	USA
Peter Bruinenberg	Avebe	The Netherlands
Philippe Cotrel	Affymetrix	UK
Hans Dons	Keygene N.V.	The Netherlands
Dick Flavell	Ceres Inc.	USA
Rolf Folkertsma	ICRISAT	India
Martin Ganal	Trait-Genetics GmbH	Germany
Gilles Gay	Syngenta Seeds SAS	France
John Hamer	Paradigm Genetics Inc.	USA
Thomas Happe	Ruhr-University-Bochum	Germany
Ken Hunt	Anawah Inc.	USA
Eric Johansen	Chr-Hansen A/S	Denmark
Alexander Kel	BioBase GmbH	Germany
Xavier Kieffer	BiopSytec Europe SA	Luxemburg
David McElroy	Verdia Inc.	USA
Werner Mewes	Biomax Informatics AG	Germany
Beat Mollet	Nestlé Research	Switzerland
Werner Nader	Eurofins	Germany
Peter Olesen	Chr-Hansen A/S	Denmark
Herman Pel	DSM	The Netherlands
Johan Peleman	Keygene N.V.	The Netherlands
Graham Plastow	Sygen International	UK
Kees Reinink	Rijk Zwaan Breeding B.V.	The Netherlands
Stephen Rudd	National Research Center	Germany
Johan Sanders	Wageningen UR	The Netherlands
Britta Schulz	KWS Saat AG	Germany
Willem Stiekema	Centre for Biosystems Genomics	The Netherlands
Clemens Suter-Crazzolaro	Lion Bioscience AG	Germany
Edwin van der Vossen	Plant Research International	The Netherlands
Monique van Wordragen	ATO Wageningen UR	The Netherlands
Pieter Vos	Keygene N.V.	The Netherlands
Martin Wilhelm	Prokaria ehf	Iceland
Roger Wyse	Burrill & Company	USA
Marc Zabeau	Methexis Genomics	Belgium
